EDMONTON, ALBERTA

NOVEMBER 14, 1974

GENERAL FACULTIES COUNCIL

The regular meeting of General Faculties Council was held October 28, with an overflow meeting held October 30, 1974. (See *Folio*, November 7 for other items discussed at these meetings.)

ASSOCIATE ACADEMIC STAFF

Council passed the following motion by GRANT DAVY, Professor of Political Science and President of the Association of the Academic Staff of The University of Alberta: "That the General Faculties Council regulations be amended in order to dispense with the requirement that General Faculties Council should recommend to the Board of Governors on the appointment of members of the Associate Academic Staff."

The category "Associate Academic Staff" was established by the Board of Governors, on the recommendation of General Faculties Council, in 1971 to cover academic appointment of individuals employed outside the University. Such individuals would not be placed on the University payroll, but would be given an appropriate academic rank and assume such undergraduate and graduate teaching and supervision as may be agreed upon.

SCHOLARSHIPS AND COURSE LOAD

Members approved the following motion by HENRY KREISEL, Vice-President (Academic): "That for the purposes of scholarships and awards the definition of a full course load should be left to the faculty or school concerned with any particular scholarship or award, but where more than one faculty or school was involved the definition of a full course load should be left to the discretion of the Undergraduate Scholarship Committee."

NOMINATING COMMITTEE

Members approved a motion by R.J. BUCK, Professor of Classics and Chairman of the Nominating Committee, that the following individuals be elected to the various bodies indicated following their names:

STUART B. WOODS, Professor of Physics (Selection Committee for the Dean of the Faculty of Agriculture and Forestry); SALEEM M.M. QURESHI, Professor of Political Science (Selection Committee for Chairman of the Department of Educational Foundations); HENRY T. WYATT, Associate Professor of

Ophthalmology (Review Committee for Chairman of the Department of Anatomy); WILLIAM A. CAMPBELL, Professor of Extension (University Press Committee).

CONFERENCE FUNDS COMMITTEE

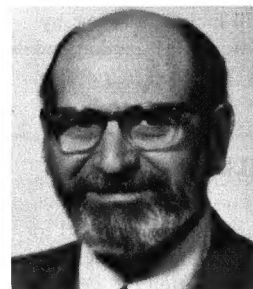

Members received for information the annual report of the Conference Funds Committee. The report noted that very few applications for funds, which are used to support conferences, conventions, and symposia sponsored or hosted by the University, were rejected. At the same time, the committee pointed out that no applications from student groups were received during the year; the committee felt that "newly-elected Students' Union officers may need to be reminded of the existence of the fund."

UNIVERSITY COLLECTIONS COMMITTEE

Council received for information the annual report of the University Collections Committee. The report noted that GEORGE MOORE, Museums Consultant at Banff, has undertaken a study of the University Collections at the request of the University. His report is expected to be in the hands of the Vice-President (Academic) on or before December 5, 1974. The Collections Committee anticipates a further report to General Faculties Council after that date.

NEW MEMBERS

Council received the following new members (all terms expire April 30, 1975 except as noted): S.M.A. HAMEED, Professor of Business Administration and Commerce (June 30, 1977); KATHY WASS, Nursing (replacing JANE MAC DONALD); JOHN FERRIS and MICHAEL MAC NEIL, Arts; DEBORAH DAVIDSON, MARTIN WARD, and JAMES REDD, Science; BARBARA WORBANSKI, Library Science; and JOHN TRELEAVEN, Business Administration and Commerce.

EUGENE DORFMAN
1917 - 1974

EUGENE DORFMAN, Professor of Romance Languages, died October 31, 1974. His death ends a career that included many valuable contributions in the field of romance linguistics.

Dr. Dorfman was born in New York in 1917 and received his MA and PhD from Columbia University in 1947 and 1950 respectively. From 1947 to 1955 he was a lecturer at Columbia; in 1955 he was appointed Assistant Professor at the University of Washington, where he remained until 1964. He came to The University of Alberta the next year and helped in establishing the Romance Linguistics area of the Department of Romance Languages. In 1968 he published *The Narreme in the Medieval Romance Epic*.

Dr. Dorfman was very active in his chosen field: he served as a consultant for the Canada Council on several occasions; he helped found the Alberta Linguistics Association and was its president in 1970-71; and in 1972 he attended the Eleventh International Congress of Linguistics in Bologna, Italy as a delegate from The University of Alberta. In 1971-72 he fulfilled a life-time dream by teaching at the Hebrew University of Jerusalem. At the time of his death Dr. Dorfman was a member and 1973-74 vice-president of the Executive Committee of the International Linguistics Association, and a member of the Board of Trustees of Linguistics Research, Inc.

SENATE WILL MEET NEXT WEEK

The University Senate will meet Thursday evening and all day Friday, November 21 and 22. The Thursday meeting begins at 8 p.m. in the Club Room, lower floor, Jubilee Auditorium. It will be a special session to continue debate on the quota problems identified by the report of the Task Force on University Entrance Requirements.

A number of departments and faculties are reviewing their present and prospective policies about restrictions on enrolment. Copies of the Senate report have already been circulated to all faculties and schools with a request for comment. Individual departments which would like copies are invited to contact the Senate office, 5-8 Mechanical Engineering Building; telephone 432-1268.

The Friday session will be held in the Council Chamber, University Hall beginning at 9:30 a.m. The agenda will include a report by the Task Force on the Extension Function and the Committee to Review *The Universities Act*.

FORMER CHANCELLOR TO BE HONORED

LOUIS A. DESROCHERS, Chancellor from 1970 to June 1974, will receive the Alumni Golden Jubilee Award at Fall Convocation on November 16.

The award is the highest honor the Alumni Association can bestow and is given in recognition of meritorious service by outstanding citizens, not necessarily alumni of the University, who have contributed to the University's welfare. It is being given to Mr. Desrochers primarily for his efforts in strengthening the Senate during his term of office. Under his direction, the Senate initiated a number of task forces and ad hoc committees to study a wide range of issues related to the University and the community.

CUSO BOOKSALE EXCEEDS GOAL

The University's CUSO Committee has raised \$886.77 through the sale of books, magazines, and records earlier this month. The proceeds exceed the \$200 goal and will be used to purchase library books for the Maechan Witayakhom School in Chiangrai, North Thailand.

BOOKS

Collège Universitaire Saint-Jean has just published the first report of its research project entitled "Bilingual or unilingual schools for Franco-Albertans?" The project is supported by the Department of the Secretary of State in Ottawa.

SOCIAL RESEARCH SEMINAR TO BE HELD

A special seminar on "Facing the theoretical demands and practical problems of sampling in social research" will be held on three Saturdays, November 16, 23, and 30, from 10 a.m. to 12 noon, in N1-126 Education Centre. This will be followed by a treatment of procedures which are practicable and, at the same time, reasonably consistent with theory. The treatment will be kept at a rigorous, though non-mathematical, level.

Registration will be limited to 25 students and faculty members on a first-come, first-served basis. Those wishing to attend should telephone Dr. Gupta at 432-3697 or the Department of Educational Psychology at 432-5245.

CLIFFORD E. LEE AWARD

The Clifford E. Lee Award is a national playwriting competition and playwright-in-residence program designed to encourage Canadian writing of importance to the stage, while at the same time affording the playwright in-depth experience in the process of stage production. The program is administered by the Department of Drama. The department will arrange for the production of the winning play or will produce it itself.

A prize of \$1,500 plus travel and in-residence expenses will be awarded to the playwright whose script makes, in the opinion of the judges, the most significant contribution to the Canadian theatre and which satisfies the selection criteria.

The regulations stipulate that the playwright must be a Canadian citizen or landed immigrant and that all scripts must be sponsored

and submitted by a third party. The deadline for script entry is February 1, 1975 and the result of the competition will be announced March 31. Further information may be obtained from BEN TARVER, Administrator, The Clifford E. Lee Award, Department of Drama, Fine Arts Centre, The University of Alberta.
